This young cow has a bright future ahead of her. She is a beautiful orange and white color pattern and a flat twist on her horns. She hit the 90-inch mark just before her 5th birthday and to top it off is sired by the great 50-50. Her Dam side needs no introduction either bringing in the likes of Cowboy Up Chex and RC Pacific Mermaid. Diamond B is excited for her future to say the least. Great Feet!
